Identifying follow-up steps, support needed, etc to develop PHS policies in Bulgaria.

Fostering interactions between stakeholders

15.00 Closing the workshop

Objectives of the workshop

For Ad-PHS partners

- Improve Country Fiches and prepare Country Report
- Collect good practices
- Establish basis for future PHS platform with local stakeholders
- Identify potential areas where PHS policies could be developed in that country and possible supporting role by the Platform + the EU authorities

For workshop participants

- Receive and discuss information and good practices from other countries
- Meet other stakeholders
- Identify next steps for future collaboration among local stakeholders to make progress on PHS policies
