

AIMS AND OBJECTIVES

- Lead to a creation of a platform of relevant Personal and Household Services (PHS) stakeholders at EU level
- Create a single point of contact to support, guide and provide advice to Public Authorities in the development of their PHS policies

METHODOLOGY

Strengthen general knowledge on PHS practices in Europe

Assess and validate the identified practices with national stakeholders from member states with advanced PHS policies

Develop tailored guidance for PHS practices

Introduce and discuss the tailored guidance in countries with less developed or no PHS policies

Bring stakeholders together (final conference) to build long-lasting cooperation

COUNTRIES COVERED
